

Want to be a mechanic? Get your career moving here

Extra Benefits | Stable Employment | Career Progression

Transdev John Holland Buses (NSW) covers the eastern and south-eastern suburbs of Sydney and the Central Business District (CBD). Our bus services run out of three depots – located in Waverley, Randwick and Port Botany – and manage a total fleet of almost 500 buses.

We are looking for:

- » Enthusiastic people wanting to undertake a heavy vehicle mechanic apprenticeship.
- » Current apprentices, who have completed two years of their light vehicle mechanic apprenticeship, to complete their final two years as heavy vehicle apprentices and gain both qualifications.
- » Displaced apprentices in any stage of their heavy vehicle mechanic apprenticeship.

Transdev John Holland Buses (NSW) is an equal opportunity employer.
